ZA 2020. GODINU**

**UDRUŽENJE NOVA SIGURNOSNA
INICIJATIVA**

U Sarajevu, februar 2021.

Udruženje Nova sigurnosna inicijativa je nevladina, nepolitička i neprofitna organizacija osnovana u Sarajevu u septembru 2012. godine usmjerena na aktivnosti i projekte koje imaju za cilj reforme, razvoj i rješavanje problema u određenim društvenim oblastima i podizanje nivoa svijesti kod građana

KO SMO

Najviše tijelo udruženja je **Skupština**. Skupština je organ upravljanja Udruženja, koju čine svi članovi, s jednakim pravom glasa.

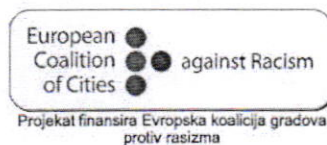

Redovni članovi tokom 2019. godine bili su (abecednim redom): mr.sci. Aida Kržalić, Benjamin Plevljak, Imer Dulaš, Minela Dulaš, prof. dr. Mirsad Abazović i prof. dr. Armin Kržalić.

PROGRAMSKE AKTIVNOSTI

Tokom 2020. godine udruženje je imala tri zaposlena (do mjeseca aprila, a nakon meseca aprila dva), a druge aktivnosti su ostvarene kroz angažaman spoljnih saradnika.

Redovna skupština je održana u maju 2020. godine. Tada je usvojena informacija i izvještaj o realizaciji desetomjesečnog projekta „DeFRET – „**Definisanje faktora i procesa koji vode radikalizaciji, ekstremizmu i terorizmu u Bosni i Hercegovini.** Na istoj sjednici usvojena je informacija o realizaciji destomjesečnog projekta „**Povratak zajednici**“ **ReComm**, koji se sprovodi u MZ Bočinja, općina Maglaj. Projekat finansira Evropska koalicija gradova protiv rasizma. Projekat traje do 31.01.2021. godine.

Skupština je usvojila da na projektu budu angažovani: Benjamin Plevljak i Aida Kržalić. Ekspert je izabran iz liste spoljnih saradnika.

Povratak zajednici - ReComm

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the various methods used to collect and analyze data. It describes the use of statistical techniques to identify trends and anomalies in the data, and the importance of using reliable sources of information.

3. The third part of the document discusses the role of the auditor in the process. It explains that the auditor's primary responsibility is to provide an independent and objective assessment of the financial statements. This involves a thorough review of the records and a comparison of the results with the applicable accounting standards.

4. The fourth part of the document discusses the importance of transparency and accountability in the financial system. It argues that the public has a right to know how their money is being spent, and that this information should be made available in a clear and accessible format.

5. The fifth part of the document discusses the role of the government in the financial system. It explains that the government has a responsibility to ensure that the financial system is fair and efficient, and that it is able to provide the services that are needed by the public.

6. The sixth part of the document discusses the importance of education and training in the financial system. It argues that the public needs to be educated about the risks of fraud and the importance of using reliable sources of information. It also discusses the need for training and education for the financial professionals who are responsible for maintaining the system.

7. The seventh part of the document discusses the importance of international cooperation in the financial system. It explains that the financial system is global, and that it is essential for countries to work together to ensure its integrity and stability.

8. The eighth part of the document discusses the importance of innovation and technology in the financial system. It argues that the use of new technologies can help to improve the efficiency and effectiveness of the system, and that it is essential for the system to be able to adapt to changing circumstances.

9. The ninth part of the document discusses the importance of ethics in the financial system. It argues that the financial system is a complex and interconnected system, and that it is essential for all participants to act ethically and responsibly.

10. The tenth part of the document discusses the importance of the future of the financial system. It argues that the financial system is facing many challenges, and that it is essential for the system to be able to meet the needs of the public in the future.
